Subject: Poster boards for your review 1 of 3
Attachments: EPA_PIM_AlliedLandfill_Posters_Saric_v2.pdf

Importance: High

Attached is a file with the poster boards that are near complete. Please review and comment, I would like to get your comments before noon tomorrow. The printer is backed up and will need a head start on these.

Jim, note the Dam on the last poster has some extra structure, this is being removed, but I didn't want to delay any further.

Paul, we are still working on some of your posters, those will come tomorrow.

Mike K/Tetrattech, promised his figure by the end of today.

Let me know if we need to have a conf call tomorrow to discuss these, otherwise please mark them up, scan and return.

Thanks JK
